In Appreciation

When members of the eighth grade reported for registration at San Angelo Junior High School in September, 1942, they found a new principal on hand to greet them. His friendly, sympathetic and efficient way of doing things quickly won the hearts of these eighth graders—and before long they found themselves going to him with problems far afield from junior high schedules and math and English.

He was never too busy to listen.

By circumstance, this principal was promoted to a similar position in San Angelo High School the year this eighth grade of 1942 became high school sophomores . . . and the intervening three years have only cemented a happy relationship whose foundations already were firmly established.

It is with a spirit of gratitude and humility that this eighth grade of five years ago—now the Class of '47—dedicates the 1947 Westerner to a principal whose ideals and guidance will make themselves felt long after members of the class have assumed their role of "ex-Bobcats"—Mr. John L. Bishop.

School boards in general have reaped more than a fair share of the nettlesome problems left by postwar adjustment . . . and the San Angelo board is no exception. The Westerner is not speaking for San Angelo High School alone when it voices appreciation for the efforts of these men, who serve without remuneration other than a public-spirited desire to give their city the best schools it is in their means to provide.

The Superintendent

To The Students
San Angelo Senior High School

The year 1946 and 1947 has found us "on our way back" to more normal living. The uncertainties and anxieties of War and its attendant restrictions and regulations are about past. Our natural inclination to have many of the things which have been unobtainable is causing many of us to spend our savings on high-priced merchandise.

Events on the international scene mean much more to us than we now realize. The first year of the United Nations Organization developed into a struggle between the United States and Russia for the acceptance by other nations of Democracy or Communism as the basic plan by which people should live. The result will affect our entire lives and the future of our country.

With my best wishes to the Seniors of 1947 go my hopes that they and their fellows may resolve to strengthen the American Way of life at home and to find a means of carrying the blessings which are ours as a people to all men everywhere. May success and happiness go with you.

Sincerely yours,

Bryan Dickson

Superintendent of Schools

The Counselors

A newcomer to SAHS this year, Mr. Harry R. Fahrenbruch quickly won the lasting respect and friendship of the entire student body by his ready assistance in furthering all school activities. This new Boys Counselor has made an indispensible place for himself.

Mrs. Maryd Doherty Todd was elevated to the post of Girls Counselor on the resignation of Miss Mollie Bierschwale early in the fall. Her efficiency in the discharge of the duties of her office have contributed greatly to the spirit and success of the year.

YOU'VE now seen 124 pages of the 1947 Westerner. The staff hopes you like it. Also that you'll like the remainder . . . and that you'll be tolerant of any mistakes and omissions.

The primary objective of the Westerner staff has been to portray as much of the 1946-47 school year in San Angelo High School as space would permit. Difficulties have been legion and resources limited. But this rule has been rigidly hewn to: "Don't write it—get a picture!"

The sum of the efforts of the Westerner staff is here—in your hands. It is not conventional in all senses of the word. Much of the usual explanatory matter and other wordage has been deliberately omitted, to make room for more photographs.

Again: "We hope you like it!"

Robert Ellis, Gene Kilgore, Lanny McKinney, Billy Sisk, Donnie Taff, Gene Jett, Coach Joe Hamrick.

The Season

PLAYING in the district that again produced the schoolboy football champions of Texas, the 1946 Bobcats found the going tough all the way. They showed much early-season promise, then hit a mid-autumn slump whose low point was reached the night of October 25 when the Odessa Bronchos—a team that fulfilled expectations of its most ardent backers by satchelling the state football crown—unmercifully hammered the Bobcats into submission, 64 to 0. It was a night that will not soon be forgotten by the Bobcats and their fans.

The Cats bounced back the week following the Odessa debacle to pull perhaps the season's top upset in District 3-AA by trouncing a fine Midland team, 14 to 7. They continued on the come-back trail, edging Big Spring 7 to 6, then dropped a 27 to 0 decision to Sweetwater.

In the annual Thanksgiving Day grudge game with the Abilene Elephants—generally considered the most improved team in the district—the Bobcats played perhaps their best ball of the year. Abilene was doped to win just about as it pleased but had to stretch its luck to the breaking point to eke out a one-touchdown decision. The score: 14 to 6.

The Season

BOYS not quite ready for the Bobcat squad gain valuable football experience with the Kittens. The 1946 Kittens, under tutelage of Coach C. L. Storrs, played an abbreviated schedule which did not prevent a number of the more promising players from showing sufficient development to "graduate" to the Bobcat squad before the season's end. As a result Coach Storrs constantly was rebuilding his Kitten team with the objective of player development rather than that of winning games.

The experience and training gained by the 1946 Kittens under direction of their genial coach bodes no good for future Bobcat opponents.

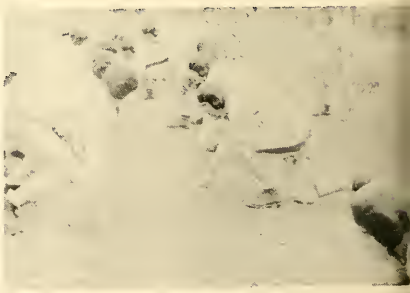
NEW hands will be at the helm when the 1947 Bobcats take the field. With Coaches Beane and Hamrick accepting head posts at Bay City and Donna, respectively, Herschel R. (Red) Ramsey, Bobcat line tutor in 1941 and '42, was given a three-year contract as San Angelo High School head coach and athletic director. Coach Ramsey immediately recommended the employment of J. M. (Speedy) Moffett as backfield coach and this duo, assisted by Coach Storrs, has put the Bobcat hopefuls through a month of sharp spring conditioning, accenting fundamentals.

The addition of Moffett, former coach at Greenville and Big Spring, gives San Angelo High School an "all-Texas Tech" staff. Both Ramsey and Storrs are ex-Red Raiders.

COACHES Ramsey, Moffett and Storrs have devised considerable trickery from the familiar "T" formation but the emphasis has been on blocking and tackling, with buckboard and tackling dummies getting brisk workouts each afternoon.

The likeable Ramsey's football philosophy is simple and he has dinned it into his charges daily: "You can't win football games unless you get your hands on the ball and you won't get the ball until you stop the opposition."



BASKETBALL

THE 1947 BOBCAT BASKETBALL TEAM—Front row, left to right: Doyle Lacey, manager, Tommie Gray, Dee Averyt, R. G. DeBerry, Jr., Richard Harvey, James Surber, manager. Second row: Don Modgling, Wayne Warren, Sam Thomas, Lynn Abbott, Wayne Modgling. Third row: Jack Webb, James Adcock, Clifford Jett. Back row: Bill Moore, Jim Hasty, Seeley McCleery, Phillip Templeton, Coach John Kiick.

IN his second year as Bobcat basketball mentor, Coach John Kiick produced one of the most successful SAHS quintets of recent years. The Bobcats satcheled the Reagan County individual tournament, annually one of West Texas' best, and edged Big Spring, 38 to 37, for consolation honors in the District 3-AA tourney, played in Bobcat Gym. They were eliminated from the championship bracket by Midland, 24 to 20. As predicted, the black-shirted Abilene Elephants won 3-AA honors but were ousted in bi-district strife by the El Paso High School Tigers, an unheralded team that won the State Interscholastic meet.

The 1947 Bobcat cagers won 17 games of 25 played for a season record of 68 per cent.

TRACK AND FIELD

THE 1947 BOBCAT TRACK TEAM—Front row, left to right: Herbert Yancy, manager, Harold Shields, Robert Minica, Richard Harvey, Clifford Jett, Donnie Taff, Richard Hagelstein, Joe Cochran, Clark Wynne, Howard Carlyle, Billy Gilly, Rudolph Biggs. manager. Second row: Don Arvin, William Fulghum, Don Modgling, Robert Rowan, Thurman McMillan, Rushing Sheffield, Joe Guttery, Lanny McKinney, Graham Rotton, Ray Stewart, Sam Thomas, Bill Banta. Row three: Wilford Deaton, Don Young, Bill Womack, Delbert Caffey, Jimmy Kemp, Cecil Tucker, Harold Young, Eddie Mee, Roy Martin, LeeRoy Behrend, Wayne Modgling.

PLAGUED by injuries, the 1947 Bobcat track and field team was handicapped from the start by the absence of some outstanding performers when they were most needed. However, Coach Glen Redfield's Cats came through to cop the Comanche Relays at Fort Stockton and racked up heavy pointage in most other meets in which they competed.

The Bobcats qualified one man for competition in the State Meet at Austin. Clifford Jett, out most of the season with a broken ankle, came through to tie with Townsend of Odessa for first—and a new record—in the high jump at the Regional Meet in Abilene. Jett cleared the bar at 6' 2".

The Season

March 8—Dual meet at Brady
March 15—Comanche Relays, Ft. Stockton
March 22—Fat Stock Show meet, Ft. Worth
March 29—Texas Relays, Austin
April 5—San Angelo Invitational meet
April 12—District 3-AA meet, Abilene

May 3—State meet, Austin

Row two: Lynn Abbott, Dee Averyt, Claude Brown, Tommie Gray, Jim Patton, Eddie Mee, Bob Blackwood. Row three: Coach John Kiick, Sam Thomas, Higdon Gaston, Wayne Warren.

THE spring of 1947 saw the materialization of what many Texas high school coaches had worked years for: the organization of regular baseball districts under Interscholastic League sponsorship. San Angelo was placed in District 10-AA, whose membership also includes Abilene, Sweetwater, Midland, Big Spring, Odessa and Lamesa.

GOLF

GOLF was put on an interscholastic competitive basis at SAHS this year and Coach C. L. Storrs' proteges gave good accounts of themselves in meets at Abilene, Fort Worth, and San Angelo. Golf team members, row one, left to right: Phillip Templeton, Duane Wood, Bill Gill, Jimmy Powell. Row two: Coach Storrs, Paul Lassen, Jack Tidwell, Billy Shook and Joe Morrow.

BOYS' TENNIS

THE 1947 BOBCAT TENNIS SQUAD—Seated, left to right: Bill Earls, Frank Manitzas, Chris Kouvelis, R. G. DeBerry, Jr., Bob Keahey, Charlie Bludworth, Bobby Scott. Standing: Coach Claude Wooley, Dick Keahey, Gibb Matlock, Dick Dobbins, Jimmy Livingston, Stuart Templeton, Bill Willman, Duane Reader.

UNDER direction of Coach Claude Wooley, Bobcat netters have been perennial threats in Interscholastic League tennis circles for a number of years. The year 1947 was no exception. Singles player R. G. DeBerry, Jr., swept through all opposition in district and area competition to qualify for the state playoff.

Favorites

Foreword

IT is with particular pride that the Westerner staff presents the 1947 favorites of San Angelo High School.

THE staff feels that these students, honored by their classmates by selection as favorites, truly are representative of the San Angelo High School student body. They have contributed much toward making the 1946-47 school year a successful year. They have set high standards of achievement in the classroom, on the athletic field, generally as good citizens. They have won the respect and admiration of their fellow-students and instructors. Such "favorites" are favorites in all senses of the word.

TO the 1947 favorites of San Angelo High School: the Westerner staff salutes you. You are "real Bobcats"—every one!
